Further, the State will enter into a Project Agreement with FHWA covering the work embraced in said contract or in this agreement and will request the maximum federal funds available.

b. The State will furnish Town with a copy of the proposed Project Agreement to be entered into by the State and FHWA. Upon approval of the terms and conditions of the Project Agreement, the agreement shall be incorporated in and made a part of this agreement by reference and shall have the same force and effect as though fully written herein.

6. Upon completion of construction, the Town shall provide for, at its own cost and as an annual item in its budget, proper maintenance, including, but not limited to, traffic signals, signs, islands, curbs and markings necessary for the purpose of regulating, warning and guiding traffic.
